MARCH 6 **FREDDY GOT FINGERED (A BROADWAY JOINT SCREENING)**

USA / 2001 / Dir: Tom Green / 87 Min / Current Rotten Tomatoes Score: 12%

Gord Brody (Tom Green) is a struggling cartoonist trying to pitch an animated show to Hollywood executives. When he fails, he returns to his hometown with no choice but to live with his parents and younger brother, Freddy (Eddie Kaye Thomas). His father (Rip Torn) doesn't approve of Gord's career path, and pressures him to gain independence. As father and son exchange barbs, Gord comes up with a lie so egregious that the Broadway Theatre has elected to remove it from this otherwise canned studio synopsis.

MARCH 9 **THE LORAX (A FREE MATINEE BROUGHT TO YOU BY SARCAN)**

Twelve-year old Ted (Zac Efron) lives in a place virtually devoid of nature; no flowers or trees grow in the town of Thneedville. Ted would very much like to win the heart of Audrey (Taylor Swift), the girl of his dreams, but to do this, he must find that which she most desires: a Truffula tree. To get it, Ted delves into the story of the Lorax (Danny DeVito), once the gruff guardian of the forest, and the Once-ler (Ed Helms), who let greed overtake his respect for nature.

MARCH 11 **PAM GRIER DOUBLE-STUNNER (A CHICK FLICKS SCREENING FOR SASKATOON SEXUAL HEALTH)**

Foxy Brown / 7PM / USA / 1974 / Dir: Jack Hill / 94 Min

Jackie Brown / 9PM / USA / 1997 / Dir: Quentin Tarantino / 154 Min

She's a chick with drive who don't take no jive!

MARCH 21 **GUMMO (A WTF FRIDAY SCREENING)**

USA / 1997 / Dir: Harmony Korine / 89 Min

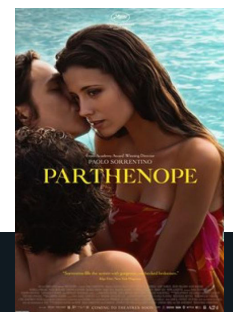

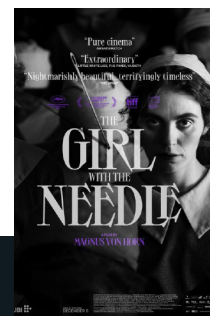

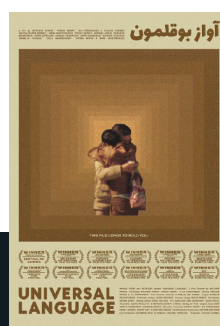

Harmony Korine's debut feature is an audacious, lyrical evocation of America's rural and underbelly, and an elegy in the southern-gothic tradition of William Faulkner and William Eggleston. Shot in Korine's native Nashville - standing in for the tornado-ravaged Xenia, Ohio - the rough-hewn film follows two young friends, Tumbler and Solomon, as they ride around town, huffing glue and hunting stray cats, their every local encounter charged with vaudevillian anarchy as well as deep pathos. At once transgressive and empathetic, disturbing and undeniably beautiful, Gummo is a one-of-a-kind portrait of angelic and devilish souls caught in a cultural void, circumscribed by poverty and the depleted, alienated spiritual life of late-twentieth-century America.

MARCH 30 **GHOST IN THE SHELL (SCI-FI SUNDAY - 30TH ANNIVERSARY SCREENING)**

Japan / 1995 / Dir: Mamoru Oshi / 83 Min

The mind-melting 1995 anime classic GHOST IN THE SHELL hits like a cybernetic fist 30 years later. The manga-turned-movie accurately foresaw our 24/7 connected world, and it profoundly impacted sci-fi for decades to come - there would be no THE MATRIX (and so many more) without GHOST IN THE SHELL.
